Energy policy Document

At Late H. G. Alias B.G. Kharade College of Education, we are firmly committed to promoting sustainable energy practices while minimizing costs. Our dedication begins with optimizing our infrastructure through regular maintenance and the use of energy-efficient lighting systems. We prioritize raising awareness and providing training opportunities by hosting workshops for both staff and students, thereby encouraging responsible energy consumption.

Objectives:

1. Infrastructure Optimization: To optimize our infrastructure through regular maintenance and the use of energy-efficient lighting systems.
2. Awareness and Training: To raise awareness and provide training opportunities for staff and students, encouraging responsible energy consumption.
3. Waste Reduction: To commit to waste reduction through paperless administrative processes, material reuse, and proper electronic waste disposal.
4. Eco-Friendly Transportation: To endorse eco-friendly transportation options for students and staff, promoting public transport and cycling.

We pledge to maintain transparency by consistently reporting our progress and striving for continuous improvement in our energy-saving endeavors. Late H. G. Alias B.G. Kharade College of Education aims to set a shining example of responsible energy consumption and sustainability for both present and future generations.
